Recognition	
Grading system	The Italian University system is organized in 3 cycles: the 1st cycle academic degree, that is the "<i>Laurea</i>" (Bachelor degree), grants access to the 2nd cycle, the "<i>Laurea Magistrale</i>" (Masters degree), corresponding to the 2nd cycle and giving access to 3rd cycle doctorate programmes resulting in the PhD degree called "<i>Dottorato di Ricerca</i>". The European Credit Transfer System (ECTS) is used by Italian universities to evaluate and measure the workload of single courses, as well as entire qualifications. ECTS credits represent the total student workload (class time, individual study, exam preparation, practical work, etc.) needed to complete a module/programme. According to Italian legislation, one ECTS corresponds in Sapienza to one CFU credit that is equivalent to 25 hours. CFU and ECTS are the same. Exams are graded using a grading scale of 30, where 18 is the minimum passing grade and 30 cum laude the highest grade.
Transcript of Records	Issued by the International Office directly to the student at the end of the exchange period. Only digital copies can be sent by email to the Home University of the student only if required by the partner.
Conversion formula	In order to do the recognition process in the Home University, the following formula can be used: $\text{Voto} = \frac{V - V_{\min}}{V_{\max} - V_{\min}} * (I_{\max} - I_{\min}) + I_{\min}$ Voto = the final result V = grade to be converted Vmin = minimum grade to pass in the Home University Vmax = maximum grade student can get for an exam in the Home University Imin = 18 (which is the minimum in Italy) Imax = 30 (which is the maximum in Italy) For the letters: A = 30 B = 28 C = 26 D = 23 E = 18
